

Land History, Survey and Ownership Records

Minnesota Land Survey Information

Access to a collection of Minnesota's original plat maps dated between 1848–1907 is available at [General Land Office \(GLO\) Historic Plat Map Retrieval System](#)

These plat maps are the basis for real estate records, and are a resource for surveyors.

Field notes and land ownership records

Find original title information for land from all 50 states at the [Bureau of Land Management \(BLM\), General Land Office \(GLO\) Records](#). The list is not complete but provides the best single source for this information available on-line.

Funding for this project was provided by the Minnesota Environment and Natural Resources Trust Fund as recommended by the Legislative-Citizen Commission on Minnesota Resources (LCCMR)
